JUNIPER / CLEANING

Changes and Cancellations

Fictional demo company | Version 1.0
Effective 22 October 2026

When plans change

Request a new time

Use the reschedule control to choose a new preference. The coordinator checks the entire job and cleaner availability again. A confirmed booking keeps its old time until the new time is successfully accepted. A failed change does not release the existing reservation.

Cancel or decline

An awaiting-review request can be declined without a booking. Cancelling a confirmed booking releases that reservation. This demo does not charge a cancellation fee, collect payment or process a refund. No separate cancellation penalty is stated in these guides.

After the clean

Marking a booking completed changes its demonstration status. It does not prove that cleaning took place, payment was collected or a landlord approved the result. Ask the coordinator to review any unsupported request or disputed detail.
