JUNIPER / CLEANING

Preparation Guide

Getting the home ready

Pets

For this revised guide, arrange for cats, dogs and other pets to stay with a trusted person outside the home during the appointment. Tell the coordinator about this arrangement before the visit. Cleaners do not handle pets; customers remain responsible for their care.

Clear a little space

Put away small valuables, toys and loose items from surfaces and floors. Leave access to the agreed rooms and point out delicate or damaged items. Heavy furniture, repairs and decluttering remain outside the service.

Products and an oven clean

Juniper normally brings supplies and equipment. Ask the coordinator before supplying a preferred product. For the oven add-on, switch the appliance off, let it cool fully and remove food. This revision changes preparation guidance only; catalogue prices, duration and existing bookings are unchanged.
